

Dräger Webinar

Non-invasive ventilation (NIV) for COPD: from scientific evidence to clinical practice.
Attend an international conference without leaving your hospital.

Dear Sir or Madam,

We are pleased to invite you to attend our international webinar conducted by Prof. Dr. Wolfram Windisch from the University Hospital Freiburg, Germany and hosted by Dräger.

Here's a look at the program:

- Pathophysiology and rationale for NIV in COPD patients
- NIV for COPD in ICU medicine
- Successful acute NIV in COPD – and then?
